## Compliance Tracking for Health Appraisal, Vaccines, Drug Testing and Background Screening and BLS Requirements

Go to: <http://safetyunlimitedcompliance.com>

Click **Create an Account** to get started. After entering your information, click the “create account and proceed” button at the bottom of the screen. Complio will send an email to the address used during account creation. Click on the the **Activation Link** within the email to activate your account.

Login in to Complio and select “Get Started”. This will take you to the **Create Order** page where you will select the EMT program. Select the **New Student Bundle** to order your background and drug screening package. Enter your information accurately; any errors entered by the student may affect the Background Screening process and will result in the student paying for the service again.

Use your mouse to sign the **Disclosure & Authorization Form** and authorize the background check.

**Enter payment details** and submit your order. DISA will immediately begin processing your background check.

From the time of order, you have 90 days to complete your drug screening. If your order expires, you will be required to purchase a new drug screening order. You will receive an email with your drug screening order attached, please print and take the order with you to the lab.

On your dashboard, you will see compliance requirements. This is where you will upload the necessary documentation for your Health Appraisal, TB Screening, Vaccine Records, and BLS card.
