Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution.	Total Graduates Employed in the Field

Student's Initials: \_\_\_\_\_ Date: \_\_\_\_\_

Initial only after you have had sufficient time to read and understand the information.

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

---

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

**“STUDENT'S RIGHT TO CANCEL”** The student has a right to cancel the enrollment agreement and obtain a refund. The institution shall, for all students, without penalty or obligation, refund 100 percent of the amount paid for the institutional charges, less a reasonable deposit or application fee not to exceed \$250.00, if the notice of cancellation is made prior to or on the first day of instruction or the seventh day after enrollment, whichever is later. Further, the student has the right to withdraw from a course of instruction at any time. A student who has completed 60 percent or less of the course of instruction shall be granted a pro rata refund of tuition and amounts paid for returnable equipment. If the student withdraws from the program of instruction after instruction has begun, the student is obligated to pay only for educational services rendered and any equipment not returned, plus the non-refundable registration fee of \$250.00. There will be no refund issued if student fails program or any requisite requirements (i.e.: background check/drug screening). If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If Safety Unlimited, Inc. offers a distance education program where the instruction is not offered in real time shall transmit the first lesson and any materials to students within seven days after the institution accepts the student for admission. The student shall have the right to cancel the agreement and receive a full refund pursuant to section CCR71750 before the first lesson and materials received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section CCR71750. If the **institution** sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials. An institution shall transmit all of the lessons and other materials to the student if the student has fully paid for the educational program and after having received the first lesson and initial materials, requests in writing that all the materials be sent. If an institute transmits the balance of materials as the student requests, the institution shall remain obligated to provide the other education services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student but shall not be obligated to pay any refund after all of the lessons and materials are transmitted.

The student shall have the right to cancel the enrollment agreement and receive a full refund (minus the application fee) *before* the first lesson and materials are received. Cancellation is effective on the date the written notice of cancellation is sent. If the effective date of cancellation comes after the first lesson and materials are received, the institution has 45 days after a student's return of materials to issue an applicable refund.

**HYPOTHETICAL REFUND EXAMPLE:** A student withdraws from the program after completing 5 hours of instruction. \$1500.00 less \$250.00 registration fee and \$0.00 STRF assessment fee = \$1250.00 divided by 170 hours = \$7.36 hourly program charge. 5 hours X \$7.36 = \$36.80. \$1250.00 less \$36.80 = \$1213.20 refund. *This calculation does not include a refund for the books.*

If a student chooses to cancel or **withdraw** according to the above stated conditions, he or she must submit a written notice of cancellation to:
