To whom it may concern,

After reviewing the material submitted for your Safety Unlimited Inc. First Aid and CPR for Public Safety Personnel course and Naloxone Service Provider course our County Medical Director, Dr. Ronay, has approved the material for first responders who work or participate in the County of San Luis Obispo's (SLO) EMS system.

This approval of your material for use in the County of SLO is contingent upon ongoing reevaluation of each local program using your material to ensure that the material continues to meet the requirements of Title 22 particularly in areas addressed in Division 9, Chapter 1.5.

Please feel free to contact me with any questions or if you require any assistance.

Thank you,
